Of course the four officer's term will be two years or 1990-1992 fiscal years. Only two Trustees will need to be elected next September.

Shirley Rex, K8MZT, our Dinner Meeting Chairperson, has made arrangements for the meeting to be held in the First Christian Church, at 2600 Cleveland Ave N., on October 17th. The Social Gathering will be from 6:00 PM till 6:30 PM, with dinner served at 6:30 PM prompt. RESERVATIONS ARE REQUIRED and must be received by October 10th. Don't forget to call in your reservations and we'll CU AT CHURCH.

CORPORATE CUP COMPETITION

The 1990 COMMUNITY CORPORATE CUP COMPETITION was held the week of September 2nd, 1990. This year, there were a record number of 97 Companies represented, with a total of 15,000 Participants involved during the week of events.

As in the past, Amateur Radio Volunteers were called upon to provide the much needed communications for the Saturday Events, that take place in and around the Monument and Stadium Park areas. Saturday's events included - a 3 Mile Race, Time Prediction Bike Competition, Walk-Run-Jog Time Prediction, 10K Relay Race and a Participation Event.

The weather could not have been better for events such as these. Cool Temperatures (60's) in the A.M. and warm sunshine with low humidity in the afternoon.

The Amateur Radio Volunteers play a key role in these events - from officially notifying the "Timers", when the events are started, passing pertinent to officials, to relaying emergency medical traffic.

Steve Garwood, N0CZV, headed up the team of Amateur Radio Volunteers. Steve did an outstanding job of coordinating the locations and tracking the changes that were required by some of the operators.

Radio Operators participating during Saturday's events were - Judy N8AIM, Charlie K8BYC, Steve N0CZV, Myron N8DHT, Dan N8DZM, Jerry KF8EB, Dan N8JBB, Everett N8EIL, Art W8FEC, Sandy K8BFZX, Scott N8JSK, Bill K8JZN, Jerry K8KAM, Kay W8LNK, Wes NV8M, Bob K8BMNS, Dave W8BPTU, Gary W8BW and Dan K8BWWT.

My THANKS to all the Volunteers involved - YOU DID A GREAT JOB of handling the communications, in a very professional and timely manor.

John Usmial, Director of the Community Corporate Cup, expressed his personal appreciation for the Public Service we provide and requested I convey his appreciation to all the Amateur Radio Operators that volunteered their valuable Saturday time to work this event.

The Corporate Cup Competition emphasizes fitness and health and generates a spirit of enthusiasm within the community. We can be proud that we are involved in the Corporate Cup and look forward to many more years of it's continued success!

MINUTES OF CARC SEPTEMBER MEETING

The September 19, 1990 regular meeting of the Canton Amateur Radio

Club was called to order by President Joe Vignos, WIFEZ, at 7:32 PM at the Emergency Preparedness Center. A round of introductions followed with 52 members and 6 guests in attendance.

SECRETARY'S REPORT - There were no additions or corrections to the minutes from the August Meeting and the minutes were approved as published. The club received a letter from the Ohio Council of Amateur Radio Clubs. The Council is trying to compile a list of all the Amateur Radio Clubs in Ohio. The club also received a letter from Wayne Green, publisher of 73 Magazine. 73 Magazine will give the club three dollars for each subscription it receives from a club member.

TREASURER'S REPORT - Larry Schmader, K8RMY, gave a summary of the club's financial activity over the past fiscal year. The club's treasury now contains \$5881.69.

NOMINATING COMMITTEE - The floor was opened for nominations for the office of President, Vice-President, Treasurer and Secretary. There were no nominations from the floor. On a motion by Dave Beltz, W8BAYE, the nominations were closed. Shirley Rex, K8MZT, moved that the club elect the slate of officers by acclamation. The motion passed.

The floor was then opened for nominations for the two Trustee positions. Julius Erdos, KD8XD, nominated Chuck Henley, N8LIV. The nominations were closed. A secret ballot was taken. The Teller Committee retired to the adjoining room to count the ballots.

SEPTEMBER TRUSTEE MEETING - Joe Vignos, WIFEZ, reported on the Trustee meeting. The first item discussed was the election of officers.

The next item was the recommendation by Joe, that the office of Craig Stucker, K8KNW, be declared vacant due to Craig's absence at Trustee Meetings. The Trustees decided that Section IX, Paragraph 4, of the By-Laws, means four regular meetings and not Trustee meetings.

The idea of adding antennas to the E.O.C., to help in Emergency Communications was discussed. Frank, W8TUY, and Bill, K8JZN, visited the roof of the EOC and they gave their suggestions. Some ideas were discussed and the Trustees decided that the club should install a tower on the roof. The base for the tower should be installed by a contractor to relieve the club from liability for a leaking roof.

ELECTION RESULTS - Jerry Shrigley, K8BAHF, reported that the new trustees are Dave Beltz W8BAYE and Chuck Henley, N8LIV.

NEW BUSINESS - Joe Vignos, WIFEZ, is looking for operators to help with the Boy Scout Jamboree on October 20th.

Shirley Rex, K8MZT, reviewed plans for the Bi-Annual Club Dinner.

Dan Hutcheson, N8JBB, THANKED all that helped with the Corporate Cup Activities.

Jack Cale, N8FEB, announced the up-coming Massillon Auctionfest. This year the Auctionfest will be November 11th at the Massillon K of C Hall.

SIG REPORTS - ON OCTOBER 7, the Transmitter Hunting Group will hold a

Special Demonstration at the EOC. If attendance is good, the group will have a Mini-Hunt to show how the equipment is used.

The Home Brew Group had a meeting on September 5, 1990. Denny Frey, K8NIB, discussed the pit-falls of kit building. He also discussed the various projects that the members wished to undertake.

Bill, K8JZN, reported the the XYL of Arlan Smith, WD8CIB, passed away on September 19, 1990. The club extends its sympathy to Smitty and family.

EMERGENCY COORDINATOR - Dave Beltz, W8BAYE, THANKED all that helped with the net during the recent storms. Dave has no plans for the S.E.T. scheduled for October 20 and 21.

50-50 DRAWING - W1FEZ won \$23.00. A second ticket was drawn and Dave Beltz, W8BAYE, won a wall plaque donated by Charlie, K8BYC.

PRESIDENT REPORT - Joe THANKED all the members and officers for their support during his term as President.

On a motion by John McGeorge, KE8NZ, the meeting was adjourned at 8:34 PM for coffee, donuts and eyeball QSO's.

Respectfully submitted by

THE FEZ SEZ

Another Deadline! How they do slip up on you! It seems every time I am about to start, a crisis arises that preempts getting started. This morning a basement drain backed up and unleashed a washing machine rinse cycle on the floor!

The reign or rain, depending on your viewpoint, of the FEZ has reached the FUZZY stage and will pass into the archive file of the CARC in a few short days.

It has been an "experience" trying to guide the Club through its various activities the past two years. I accepted the office with quite a bit of apprehension, since I had been away from the area for thirty years, pursuing a livelihood with IBM down east. But being one of the few active Charter Members of CARC, I decided to "give it a go".

There have been many ups and downs. First on the positive side, I want to especially THANK the other officers of the Club, Frank W8TUY, Sandy KB8FZX and Larry K8RMY, whose support and cooperation has been absolutely terrific! I also had the opportunity to get to know about a score (80) of Hams, either by name, face or call since getting back in

the area and being active in the Club. The rest of the THANKS will come at the dinner on October 17th. Hope to see many of you there. Shirley, K8MZT, is doing a great job in setting up this event.

On the less agreeable side of the coin, I cannot for the life of me, understand how the Club Trustees could interpret our Club By-Laws to mean that they had no obligation to come to the Trustee meetings which are held once a month on a regular schedule which was set up at their request and approval. I can only hope that my interpretation of the By-Laws and the resulting discussion with all Trustees present, will perhaps make the Trustees more attentive to the spirit of the office which they were selected by vote of the membership.

So once again, the FEEDLINE deadline has been met and it is time to say 73's to all from this column. Here's looking forward to the 50th Anniversary year of the Club!

73 and SK,

W1FEZ, THE FEZ

CLUB MEMBERSHIP DUES ARE FAST DUE. The fiscal year of the Club is October 1 to October 1, so dues are due by October 1. I am not sure if it is a good idea or not, but by past practice, the Club gives a two month grace period to refresh one's memory and give all a chance to renew and not miss an issue of the FEEDLINE.

On December 1, of each year, a new Mailing List is made up and those that have not renewed, are dropped from the mailings. To prevent being dropped from this list, give or mail your membership application and your check to Larry Schmader K8RMY, 3726 - 12th St SW, Canton, Ohio 44710. The application is in this issue.

Support your Club and the club repeater. Join one of the Special Interest Groups and learn more about our hobby. Renew your ARRL dues through the club treasurer and the club gets to keep two dollars. If you move, give your new address to Bill K8JZN immediately, as the Post Office will not forward third class mail and you will not receive your Feedline.

FOR SALE - Mosley TA-38 tribander, Ham IV rotator, three section tilt-over tower, Hy-Gain vertical A5T 10 thru 80 meters new never installed, Icom 720 transceiver factory modified for full coverage, Heathkit Linear 2KW SB-220 - new tubes in final. Will sell or trade on a McIntosh Computer. If interested or need more info, call Rev. Mike Bennett KA0HHS on 832-8936.
